WELCOME

By Lesley Robinson, MSGA President

I'm happy to present to you the 2026 Montana Seedstock & Commercial Cattle Directory. The purpose of this directory is to be your valuable resource to premium Montana cattle. It is also available as a fully interactive digital publication.

In the digital edition, you will find live website links and email addresses to find more detailed information and contact them directly.

Montana producers listed in the directory are offering their quality Montana cattle to meet your needs. The outstanding genetics and great management practices behind these cattle are representative of the top-notch inventory available here in Montana. The directory is a valuable tool to assist you in locating what you need.

The directory would not be possible without the support we receive from our advertisers and sponsors. Along with the dedicated and tireless work of the MSGA seedstock committee members, under the leadership of Chair, Leoma Donsbach, and the many hours of work by the MSGA staff.

This project not only aids buyers across the country but also serves to raise funds for MSGA to continue our mission to, "Protect and enhance Montana ranch families' ability to grow and deliver safe, healthy, sustainably produced beef to the world."

The markets are at record highs and demand for beef is staying steady. Working together to keep our ranches in production and raising these quality cattle to feed the world is a top priority. Thank you for taking the time to utilize our directory.

For everyone who is an MSGA member, thank you. Your involvement drives the grassroots efforts of the Montana Stockgrowers Association. For those who are not MSGA members, we would love to have you join the team. Scan the QR code below to join today!

Best Regards,

Lesley Robinson

MONTANA STOCKGROWERS ASSOCIATION

(406) 442-3420 420 N. California | Helena, MT 59601

www.mtbeef.org    

The **Montana Stockgrowers Association** is a non-profit membership organization that has worked on behalf of Montana's cattle ranching families since 1884. Our mission is to protect and enhance Montana ranch families' ability to grow and deliver safe, healthy, sustainably produced beef to the world.

MSGA consists of individual members and 19 local affiliate groups. The MSGA Board of Directors is elected by the voting membership and consists of 13 members; two directors from each district and three elected officers. MSGA directors volunteer their time to travel to important industry events and meetings to ensure representation of Montana's ranching families.

Policy is set by MSGA's members and affiliates during the Annual Convention and MidYear Meeting. MSGA's staff represents and promotes policies set by the membership in the state and national legislature, governmental agencies, media, and consumer groups.

The 2026 MONTANA SEEDSTOCK & COMMERCIAL CATTLE DIRECTORY

Published August 2026 by the Montana Stockgrowers Association Helena, Montana

The Montana Seedstock & Commercial Cattle Directory is produced annually by the Seedstock Committee of the Montana Stockgrowers Association to promote the excellence of Montana cattle and businesses. It is our sincere wish that this publication will help introduce cattle buyers to cattle producers and enhance the awareness of Montana genetics and commercial cattle.

National Cattlemen's
Beef Association

*By Leoma Donsbach on behalf of the
MSGA Seedstock Committee*

Touring around Montana during the year and seeing all the different types of cattle, operations, and perspectives is always a great reminder of the quality of cattle and people our state is known for nationwide. The ranches highlighted in this directory represent generations of dedication, thoughtful genetic selection,

and a commitment to producing cattle that perform on the range and in the feedlot. As you turn these pages, you will find operations that honor tradition while embracing innovation. They represent both the foundation and the future of our industry, reminding us to appreciate where we are today while continuing to build for tomorrow.

Over the last several years, we have heard the word "unprecedented" used frequently to describe cattle markets and consumer demand for beef. Demand for the high-quality beef raised right here in Montana continues to grow, both domestically and abroad, particularly among younger consumers. With cattle inventories at historic lows and rebuilding expected to take time, producers are positioned to play an essential role in shaping the next chapter of our industry. Through continued investment in genetics, management, and stewardship, we are laying the groundwork for a strong and sustainable future.

In addition to producers investing on farm, the work of MSGA is more important than ever. Advocacy doesn't happen from the sidelines; it happens because people choose to get involved and participate. The beef industry is comprised of many different perspectives, shaped by unique experiences and environments. It is vital that voices from every corner of our state are heard. Whether it's attending meetings, engaging in public comment, supporting legislative efforts, or simply having conversations that educate and build understanding, every action creates a ripple effect.

A quote fitting for this year comes from Leonard I. Sweet: "The future is not something we enter. The future is something we create." Our ability to adapt, create, and work together ensures ranching not only survives but thrives for generations to come. The generosity of our advertisers and the dedication of MSGA members make this directory possible, and the funds raised provide critical resources that support advocacy efforts both here at home and in Washington, D.C.

On behalf of the seedstock committee, we wish to thank everyone for your support of this directory, and we look forward to seeing you this December at the Grand Finale banquet to celebrate the year's hard work and honor the many deserving of recognition. Let us pray that the strong cattle markets continue, and know that together, we will remain committed to producing genetics, cattle, and beef products that will help feed a growing world efficiently, responsibly, and sustainably for generations to come.

ANGUS RANCH

WORKING CLASS BULLS FOR THE WORKING CLASS RANCHER

For over half a century, we have provided bulls that put pounds on the ground. We produce a product that gets out there and works to make you money. It is our focus that our bulls **add pounds, be sound**, and sire calves that hit the feedlot to **gain well** and have a good carcass on them.
Our bulls wrap everything up in one package.

Felton Angus is proudly home to one of the **most feed-efficient** donor cows in the country. This pairs extremely well with our recent expansion including our own custom feedlot.

3.52 lbs DM per pound of gain

JC HEIKEN ANGUS & SONS

20TH ANNUAL PRODUCTION SALE

TUESDAY, FEBRUARY 23, 2027 1:00PM

MILES CITY LIVESTOCK COMMISSION MILES CITY, MONTANA

BALRDIGE KEYNOTE K378

Keynote combines elite phenotype, structural integrity and a balanced genetic package. His progeny are proving themselves with added growth, muscle and maternal strength while maintaining calving ease and functionality. Keynote continues to leave a consistent, high quality set of cattle.

HEIKEN STOCKMAN 4043

AAA 20954761

This Incentive son is a stout, practical sire designed for cattlemen who value performance, maternal strength and longevity. His progeny are deep-bodied, structurally correct and easy fleshing with the kind of disposition and functionality that fit real-world ranch conditions.

Havoc, a Vermilion B2 son, is a powerful herd sire that combines rugged phenotype, added performance and structural soundness in a complete package. He stamps his progeny with extra muscle, eye appeal and functional maternal traits while maintaining the kind of consistency commercial cattlemen appreciate.

MCDONNELL ANGUS

Beef Country Genetics Sale

One of the largest Efficiency Tested
bull sales in North America

DECEMBER 2, 2026

WEDNESDAY - 1:00 PM - MIDLAND BULL TEST, COLUMBUS, MT

150 Fall and Coming Two-Year-Old Bulls

70 commercial bred heifers

Also selling our younger aged Registered spring calving cows

Do the Math! Efficiency-proven genetics offer up to
20% more savings on the cow herd...
and 20% more savings in the feedlot, while still maintaining the same
weaning weights. It doesn't cost you any more than making sure you are
using the right bulls and the right program.

MATERNAL Research from Canada, Australia, Texas A&M, University of Florida,
Montana State University - Dr. John Patterson, University of Missouri, University of
Illinois... have all shown efficiency gains of 10-20% in females tested to be negative RFI
or sired by negative RFI bulls with no impact on weaning weight, fertility or yearling
weight.

*"By stacking generations selected for RFI improvement, greater than 20% in
production efficiency can be achieved."* - Dr. Monty Kerley

That's over \$150/head savings in pasture and wintering costs.

STOCKER-GRASS A 20% savings in wintering and pasture costs can easily
yield another \$90/head.

FEEDLOT Improvements in feed conversion have been proven up to 20%. Just a
15% improvement would be
over \$150/head savings.

CED +6 BW +2.0 WW +67 YW +128
MILK +23 MARB +1.08 RE +.45
One of our high-efficiency tested
bulls in 2018. His sons and daughters
have impressive phenotype, and
his daughters have great udder
and small teats. Top 4% of Vytelle/
GrowSafe data base against all
breeds for RFI efficiency, top 10%
for combined foot score, top 20%
for Marbling. Promogen score 5.5.

COMMERCIAL FEEDER CATTLE

Montana is home to 2.14 million head of cattle. These cattle range from the vast prairies to the rigid mountains. Due to the topographical variance in Montana, commercial feeder cattle experience rugged terrain and unpredictable weather. To survive, feeder cattle must adapt to these conditions. Montana's cattle are sturdy, strong and practical for any operation. Besides adapting to their environment, cattle are selected for their performance from the pasture to the feedlot. Montana cattle producers choose desirable genetics and traits that will satisfy consumers.

Veseth Cattle Co.

21st Annual Sale

March 8, 2027

Lunch at 11:30 • Sale starts at 1:00 pm
Glasgow Stockyards in Glasgow, MT

Selling

5 - 18 Month Old Red Angus Bulls
90 Red Angus Yearling Bulls
40 Red Bred Heifers
100 Red Heifer Calves
35 Short Term Cows

**Veseth Cattle,
where the focus
is on the Female.**

- 1 Genetics.** Veseth Cattle has an exhaustive Artificial Insemination (AI) program to improve their cattle. We have AI'ed 9500 females in the last 28 years. We have implanted 132 embryos in the last 5 years.
- 2 Selection.** Veseth Cattle Co tests and verifies all production inputs and that is why only 10% of the AI sires sampled in our program are used 4 or more years.
- 3 Cost.** Veseth Cattle Co. is affordable. Our bulls average \$5000 at auction. This is a 50% savings per bull under the industry average bull. Only 1 in 2 bulls saved at the ranch makes the cut for our bull sale.
- 4 Efficiency.** Cows are grazed year-round on native range. Most of our range is 7 acres per animal unit in the Missouri Breaks. These cows must raise good calves, rebreed, and maintain their body condition on minimal inputs.
- 5 Focused on the Female.** This is where we can make our customers the most money. Our high bred females will produce 32% more in lifetime production compared to her industry average straight bred counterparts.

GROWN LOCAL

We have been serving the unique needs of ag producers in Montana for generations. We understand the challenges they face. As Montana's largest ag bank, we make decisions locally, meeting the needs of producers, like you, who take on these challenges day in and day out. Come experience the difference.

December, Private Treaty Angus;

SEEDSTOCK

Montana's seedstock producers have long been recognized on a national and international level for their exceptional cattle and genetics. Cattle genetics originating from Montana have been exported to every populated continent. Montana seedstock producers have stood the test of time and continue to improve their cattle genetics for their customers. They work closely with commercial cattle producers to build cattle herds that will satisfy beef consumers.

Lewistown Livestock Auction**"Where Central Montana Sells Cattle"****- Tuesdays at LLA -****Lewistown Livestock Auction**

Montana's premier livestock market in the heart of the state, connects buyers to reputation cattle and exceptional genetics from some of the best cow-calf producers on the Northern Plains.

Lewistown Livestock Exchange

LLA's brokerage division, connects Montana ranchers with buyers across feeding country, offering personalized marketing solutions to fit every cattle program.

Superior Livestock Auction

Superior is the industry leader in marketing cattle, with a trusted nationwide network of over 6,500 active buyers. In 2024 alone, Superior marketed 1.82 million head—proof of the reach and results we deliver.

Selling cattle is one thing — building long-term value is another. We're here for both. As your local marketing professionals, we work with you to tell your story, showcase your genetics, and connect the right buyers to your cattle. Our goal is simple: market with purpose, maximize your return, and add long-term value to your program.

PROVEN MONTANA ANGUS FOUNDATION GENETICS

All Star is very thick in a moderate frame,
near perfect on his feet, with a clean
flawless phenotype and powerful ped-
igree. His performance speaks for itself.
His first calves have shown him to be
suitable for heifer breeding programs.
We look forward to offering his sons in
our 2027 sale.

The Maternal Standard N Bar Ranch Genetics. Montana Built

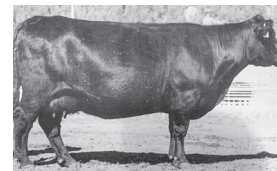

These cattle were built to last; before trends existed.

**FERTILITY. STRUCTURE. LONGEVITY.
COWS THAT STAY. DAUGHTERS THAT REMAIN.**

No shortcuts.
No reinvention.

This program endured because it worked - when others
didn't.

*Every herd has a foundation. Ours was poured
decades ago.*

BUILT FOR COW SENSE, NOT HYPE.

Our Annual Production Sale is for breeders who keep
daughters and build for the long term. The trend here has
remained steady for decades.

- Request the sale book.
- Study the cow families.
- Come prepared.

COMMERCIAL REPLACEMENT FEMALES

Known as the Treasure State or "Big Sky Country", Montana reveres its number one industry – agriculture. Montana's replacement females make up a large and vital sector of Montana's agriculture industry. The majority of Montana's cattle descend from English or Continental breeds. Those breeds have adapted very well to Montana's extreme and variable environment. Montana cattle producers know that good calves come from good cows so they administer the proper vaccinations, nutritional requirements and care to replacement females, which results in healthy offspring.

IS HEART FAILURE OR HIGH ALTITUDE DISEASE IMPACTING YOUR OPERATION?

Contact Dr. Dustin at
402-413-1820 or
dpetrik@bullseyegx.com to
discover how a simple genetic
test for BCHF can strengthen
your herd. By identifying bulls and cows with greater
resilience to heart failure, you can make more confident
breeding decisions and protect long-term performance.

Weather is unpredictable. Genetics don't have to be.

ASSOCIATED SERVICES

Montana has always been a leader in production agriculture in the United States. In Montana over 27,000 ranches and farms produce livestock and crops on over 58 million acres. Montana's agricultural businesses play a vital role in assisting Montana cattle producers in their everyday business. Agricultural businesses offer important products and services to Montana's ranchers, from consulting to range management. Technology and services such as artificial insemination and embryo transfer help make Montana's seedstock cattle easily accessible to customers worldwide.

www.cattlebusinessweekly.com

Here's To

Sale Day.

- Here's to the breeding decisions made years ago.
- Families building something worth passing on.
- The coffee, the conversations, and the friendships built along the way.
- The pride of presenting your very best.
- The anticipation as the first lot enters the ring.
- The excitement of finding the one you've been looking for.
- The nod across the ring.
- The auctioneer's call - **SOLD!**
- The handshake where two ranches become part of each other's story.

Thank you for making Ballyhoo a small part of yours.

FALL 25 -

MSGA ANNUAL EVENTS

For more info: www.mtbeef.org/events

ANNUAL CONVENTION & TRADE SHOW

December 3-5, 2026 | DoubleTree + Northern Hotel, Billings

Held each winter, MSGA's Annual Convention boasts the state's largest ranching industry trade show, cattlemen's colleges, policy meetings, guest speakers, and some of the best networking opportunities around.

MIDYEAR MEETING

June 3, 2027 | Helena, Montana

Join Montana ranchers for our summer meeting with educational workshops, foundation social and fundraiser, policy meetings, and a semi-formal dinner event with live entertainment.

TBONE CLASSIC GALA DINNER & GOLF TOURNAMENT

August 2027 | Briarwood Golf Course, Billings

Join leaders of Montana's ranching and business communities for a gala dinner and golf tournament at one of the best locations in Big Sky Country! Event benefits Montana Stockgrowers Foundation.

ADVERTISE WITH US!

Place your business front and center for Montana ranchers by advertising with Montana Stockgrowers Association.

We offer a number of services throughout the year at competitive rates to meet your needs.

MSGA ADVERTISING

Montana Stockgrowers Association offers advertising through our digital and social media platforms, along with print advertising in the annual Montana Seedstock and Commercial Cattle Directory. Several ad packages are available for promotion through email and Facebook. Combined MSGA has a reach of reach 20,000+ on our digital platforms.

PRODUCER LED

PROFITABILITY FOCUSED

Montana
Stockgrowers
Association

When threats to the ranching industry are coming in from all fronts, you need a team ready to fight for you on the local, state and national level. *As a MSGA member, your voice grows stronger.*

- ✓ Producer Profitability
- ✓ Labor
- ✓ Taxes
- ✓ Grizzly Bears
- ✓ Water
- ✓ Private Property Rights

BECOME A
MEMBER TODAY
www.mtbeef.org

Thank You!

We would like to take this opportunity to thank all the wonderful advertisers who purchased ads in our 2026 Montana Seedstock and Commercial Cattle Directory. Your continued support helps bring this premier directory to MSGA members, livestock markets, feeders, and cattle buyers across the U.S.

Don't forget to check the directory out online at
www.mtbeef.org

BUILT BY RANCHERS UNITED FOR THE FUTURE

The Producer Profitability Initiative is a grassroots movement started by cattle ranchers and led by cattle ranchers who have a vision to create a sustainable future for the American livestock industry.

AREAS OF FOCUS

- ✓ Create a Favorable Tax Climate
- ✓ Improve Government Programs
- ✓ Minimize Barriers to Entry for Young or Beginning Livestock Producers
- ✓ Find Solutions for Labor Challenges
- ✓ Develop Industry Mentorship Opportunities
